# A day in the life of a customer **Meet an Indonesia Customer**

Decan's phone alarm goes off at 6.55 a.m.

Decan going for a short jog around the housing complex.

She drives her motorbike to the nearest commuter line station.

She **checks her social media** and reads the news while commuting to work.

At lunch time, **she checks her social media again** to relieve her stress at work. She finds an influencer talk about a product.

**She checks her social media** to see trending topics and heads to bed.

When she got home, **she watched another live shopping review** content during her dinner and realize the product been talked a lot. Then decided to buy the recommended product

Risa leaves work at 5.45 p.m. and **spends more time short videos on social media** to pass the time until she arrives home safely.

# 5 Step Level Cardi Matrix

Posisikan brand Anda di salah satu level, lalu fokus menguasainya sebelum naik

Syarat naik level : ROAS stable + omzet terus naik

# Cheat Sheet: Inventory Marketing per Level

Rentang pada header = omzet per tahun

| Channel/Inventory                         | Level 1 | Level 2 | Level 3 | Level 4 | Level 5 |
|-------------------------------------------|---------|---------|---------|---------|---------|
| Konten organik & media sosial & SEO & GBP | ●       | ●       | ●       | ●       | ●       |
| Iklan marketplace (Shopee / Tokopedia)    | ●       | ●       | ●       | ●       | ●       |
| Meta Ads (Facebook & Instagram)           | ●       | ●       | ●       | ●       | ●       |
| Tik Tok Ads & Affiliate                   | ●       | ●       | ●       | ●       | ●       |
| KOL nano-micro                            | ●       | ●       | ●       | ●       | ●       |
| Google Search Ads & SEM                   | ●       | ●       | ●       | ●       | ●       |
| YouTube Ads                               |         |         | ●       | ●       | ●       |
| KOL macro                                 | ●       | ●       | ●       | ●       | ●       |
| Distribusi retail offline (GT/MT)         |         |         | ●       | ●       | ●       |
| Artis / mega endorsement (Rp200 jt+)      | ●       | ●       | ●       | ●       | ●       |
| OOH/billboard                             |         |         |         |         | ●       |
| TV & sponsorship besar                    | ●       | ●       | ●       | ●       | ●       |

**Catatan:**  
 OOH Level 4 =  
 hanya kota terkuat |

Level 5 = lokasi ikonik  
 (Sarinah, SCBD, Bandara) |

Aturan praktis budget: 10-20%  
 dari omset.
